November 21, 2016

Dear North Central Solid Waste Authority Customer:

North Central Solid Waste Authority (NCSWA) has begun accepting senior low income applications for the 2017 year, all applications must be submitted to our office no later than February 28, 2017. Seniors must complete a new application every year; if you are a current senior low income participant you are still required to complete the 2017 form. North Central will not automatically renew your low income status, and should you decide not to complete the forms, your account will revert to the standard payment amount.

All seniors who apply shall be responsible for providing; either 2015, 2016 Tax Returns; proof of age, and any member of the household will be required to be listed on the form. If you do not file Federal or State tax returns, a bank statement with three months activity will be accepted in lieu, of tax returns. Kindly black out any reference to your Social Security number, your photo ID will be used match your tax returns. The application must be completed in its entirety; North Central will not process incomplete applications.

We apologize to our seniors who must go through this process every year however, NCSWA does not receive Federal, State or Rio Arriba County funding assistance for the senior low income program. This program is solely funded by the Authority who feels it is necessary to help seniors who require assistance.

We look forward to providing you with assistance in completing the form, our staff is available for questions during regular business hours you may contact our office from 8:00am to 5:00pm Monday through Friday at 505-747-8459 or our toll free line at 866-340-1099.

Thank you,

Gino Romero, Manager
North Central Solid Waste Authority
